

Worship Leader

ALTITUDE MISSION 23/24

Altitude Mission is driven by worship and prayer. Everything we do, whether it be an outreach event, Ski Angels or church, is powered by worship. It allows us to centre ourselves on God, and empowers us for the mission each day. As Altitude Worship leader, you will play a key role in setting the culture of worship in the chalet. We love to worship in our lounge by the fire, and watch the Spirit at work amongst our team, guests, and visitors.

The Role

- As Altitude Worship leader you have overall responsibility for the sung and musical worship at Altitude.
- You will organise worship evenings in the chalet each week (about 3 times a week)
- You will organise worship at church each Sunday
- You may want to organise other worship events – for example mountain worship.
- You will lead some of the worship sessions yourself.
- You will delegate worship sessions to be led by others as their abilities allow.
- You will identify worship gifts in our Altituders, leaders, and any others who visit the chalet. You will nurture those gifts and train our Altituders to be involved in the worship team, and if ready, to lead worship.
- If you are a songwriter, we'd love you to use Altitude as a space to write songs that reflect the heart of Altitude.

Key Requirements

- You're a worshipper
- You love music and have a competent grasp of music theory (i.e. the numbers system) and your instrument (your voice and at least one other accompanying instrument)
- You would be able to lead the musical life of the chalet with confidence
- You have experience leading people in sung worship
- You're able to listen and follow the Holy Spirit in times of worship,
- You are able to spot gifting before people necessarily see it in themselves, and can sensitively and collaboratively grow it
- If you are a songwriter and have a passion for writing new songs then that's a bonus but not an essential requirement
- You love skiing, or you're ready to give it a go
- You have a heart for mission
